

Please be our guest at our annual
MARKET OUTLOOK
SEMINAR FINANCIAL
STRATEGIES 2010

MONDAY MARCH 15, 2010 ~ 6:30 PM registration
7:00 PM presentation

Our Passion.Your Prosperity

ONWARDS AND UPWARDS. Your outlook for 2010.

THE EVENT:

Does the next decade hold more of the same: volatile capital markets, asset bubbles and flat equity returns? We know what worked over the last ten years, so how might that change for the next ten years?

ROB EDEL (*Chief Investment Officer*) will review what happened over 2009 and offer his forecast of the economy's direction – is inflation on the horizon?

JOHN NICOLA (*Chairman & CEO*) will delve into: what types of investments worked in the last decade; the role asset allocation played in getting better investment performance; and how these strategies will work going forward.

Q+A: We will conclude with an open forum question and answer period, and invite you to ask John and Rob about the economy, our investments, and any topics brought in advance or inspired by the evening's discussion.

Wine, refreshments, and hors d'oeuvres to be served.

BC CANCER RESEARCH CENTRE - GORDON & LESLIE DIAMOND THEATRE (675 West 10th Avenue, Vancouver). The entrance is indicated by a **green arrow** on the map. If you are unfamiliar with the area or would like additional driving directions, please contact Lanie Collins at Nicola Wealth Management 604.739.6450 or by email at lcollins@nicolawealth.com.

PARKING INSTRUCTIONS:

Parking is available in the BC Cancer Agency parkade at 10th Avenue and Ash Street; (circled in red) this is across the street from our seminar venue at the BC Cancer Research Centre.

As the parking attendant leaves at a certain time, they will usually place a small envelope on your windshield reminding you to pay. For our event, we have requested that the parking company not do this; consequently, parking will be complementary. Should you receive a payment envelope by mistake, just forward it along to our office and we will arrange for it to be voided.
