

DRIVING DIRECTIONS AND PARKING INFORMATION

Building Directions

The building is located on the south-west corner of Broadway & Granville (see red arrow), and our offices are located on the 5th floor (Chapters is on the ground floor - see green arrow). The entrance to our building's underground parking is located on 10th Avenue, between Granville & Fir (see blue arrow).

- If accessing from Broadway, enter the lobby and take the elevator to the 5th floor.
- If accessing from the underground parkade, take the 2nd set of elevators – marked “Office Tower” – which will give you direct access to our floor.

Complimentary Parking

Since parking can be a challenge, we offer complimentary visitor stalls to our guests. We have 5 reserved parking stalls, on the first level of the parkade, marked “Nicola Wealth Management”.

Parking Directions

- Once in the underground parkade, obtain a ticket from the parking attendant, turn to the left and park in any of the available “Nicola Wealth Management” spots. These spots will come up on your right hand side – directly opposite the doors to the elevators. The numbers of the reserved spots are #38 through to #42.
- Bring your ticket with you and the receptionist will stamp it for you.
- You can then hand this ticket back to the parking attendant when you leave.
- If the parking lot says “lot full” please proceed to the attendant, as we have reserved spots that should be available regardless of the “lot full” sign.
- If for any reason these parking stalls are full, please feel free to park in any free spot in the parkade not marked “reserved”. So long as you bring your ticket with you, the receptionist will stamp it to ensure complimentary parking.
